**IMPACT:** State

**Summary of Legislation:** (Amended) This bill urges the Legislative Council to assign to the Pension Management Oversight Commission the study of the feasibility of the State Personnel Department conducting an analysis of certain state employee job evaluation issues.

**Effective Date:** July 1, 2009.

**Explanation of State Expenditures:** (Revised) This bill urges the Legislative Council to assign a study concerning state job evaluation systems to the Pension Management Oversight Commission. The analysis is to determine the comparable work value of the work performed by each class of state employees, including the use of the State Personnel Department's current job evaluation system or another job evaluation system.

The budget for the Pension Management Oversight Commission is set by the Legislative Council. Legislative Council resolutions in the past have established budgets for the Pension Management Oversight Commission in the amount of \$9,500. If the Commission is assigned this topic, they are required to issue a final report to the Legislative Council containing their findings and recommendations concerning the topic, including any recommended legislation, not later than November 1, 2009.
